Grade School Pathway

This is the program for tennis players in Pre-School to 5th grade. The pathway uses a system of modified courts, rackets and balls scaled to maximize learning for different levels and/or age groups. Court One Athletic Clubs is an accredited USTA 10&Under tennis training center. Any color of training balls may be used during any of our classes to help players gain skills faster. Players start in level 3 for their school grade and with instructor approval move to level 2 and level 1. It takes 6 - 12 months to establish consistency with the skills set for each level.

Middle School Pathway

This is the program for tennis players in 6th to 8th grades. Participants will practice with various size courts using orange, green and yellow training balls. Players start in level 3 and with instructor approval move to level 2 and level 1. It takes 6 - 12 months to establish consistency with the skills set for each level. Players with some experience will be evaluated in the first class and may be moved into a different level.

High School Pathway

This is the program for tennis players in 9th to 12th grades. Coaches may use various training balls orange, green and yellow, in progressions to help players gain a new skill faster. Players start in level 3 and with instructor approval move to level 2 and level 1. It takes 6 - 12 months to establish consistency with the skills set for each level.

Tournament Pathway

To enter this pathway players MUST have approval from the Director of Tennis. During each class players will work on improving mechanics for all strokes, footwork, conditioning, develop consistency and improve shot making. This course is not for every child. To be selected for this group a player must prove a high level of tennis skill and desire to be successful. Must be playing competitive USTA Tournaments.
